

Peer Mentoring Opportunities

What will I be doing?

We need volunteers to help us with our peer mentoring projects. You will help mentor women in your community by offering culture and faith sensitive support to Bengali/Pakistani women in crisis. You will be support clients directly during peer mentoring sessions and by accompanying them on their journey to get specialist support. You will work with agencies such as Bridges, the police and healthcare professionals. You could also help to run our regular social activities such as our creative crafts group or our tea and talk sessions, and you will meet other volunteers and share best practice in our Peer Mentor Forum.

How long will it take?

If you have a few hours to spare during school hours, we would love to talk to you about how you could get involved. You will have an informal interview and take part in our Introduction to Volunteering Course. We will support you with childcare to enable you to join us.

How will I benefit?

By volunteering with us you can enhance your CV and get new skills and knowledge through formal training in mentoring skills and awareness of domestic abuse and mental health issues. You will also get more involved in your local community, through taking part in the peer mentoring programme.

How can I join?

To join us as a Peer Mentor, you need to be bi-lingual and able to write English. For more information please drop in or speak to Fouzia on the number below.

Do you speak English plus Bengali or Urdu?

Do you live in Tameside?

Want to help women in crisis in your community?

Women only

We help you with childcare and travel costs
