

Volunteer with us

What will I be doing?

We need volunteers to help us with our community projects. You could help to run health walks, do outreach work, support and take part in events, support our training sessions or even do some administrative tasks.

How long will it take?

If you have a few hours to spare during school hours, we would love to talk to you about how you could get involved.

How will I benefit?

By volunteering with Diversity Matters you can enhance your CV, get new skills and knowledge, get more involved in your local community and increase your confidence.

How can I join?

Drop in or speak to Hasina or Rehana on the number below for more information.
