

Community Cancer Champion Opportunity

What will I be doing?

Your help is needed to help raise awareness of cancer screening and encouraging people to take part, to initiate conversations in the community about cancer, to talk to people about the importance of a healthy lifestyle and to help encourage others in the community to join us as a Cancer Champion too.

How long will it take?

If you have a few hours to spare we would love to talk to you about how you could get involved. You will have an informal interview and take part in training.

How will I benefit?

By volunteering with us you can build your confidence and skills, gain work experience, take part in training and really make a difference to people.

How can I join?

To join us as a volunteer, you need to be bi-lingual and able to speak basic English, you need to be reliable, trustworthy, committed and friendly.
